February 4, 2020

Dear BCS Families,

Over the past several days, BCS faculty and staff have continued to modify, and in some cases create safety procedures so that students and staff may safely return to in person instruction. This work, along with your help has allowed for us to put measures in place so that BCS may reopen to in person instruction on **February 8th**. February 8th is a **Blue Day**.

Below are important requirements and reminders for you to be aware of, that we have previously communicated to you:

- The daily student health questionnaire on Parent Square has been reduced from 10 questions to 2 questions. Parents will be required to complete this form, for each child by 7:30AM every day they will be in the building (previously this was only required on Monday). **The completion of the student health questionnaire is a critical procedure in keeping the virus from entering the school building.**
- Students without a completed daily health questionnaire will be placed on 100% remote learning.
- The health questionnaire may be accessed at <https://www.parentsquare.com> or by downloading the Parent Square app.
- **All students and staff will be required to wear masks except during “masks breaks.”** BCS has designed a schedule providing for periodic masks breaks throughout the school day. In addition, teachers will continue to use their discretion to allow additional “masks breaks.”
- Student seating has been reviewed in all classrooms. Although it was determined that all classrooms have met social distancing requirements, two classrooms were marginal and have been relocated to the library and music room.
- An additional bus route has been added to increase social distancing on our school buses.

District personnel will continually examine and reevaluate our health and safety practices and make changes as health conditions warrant. We thank you for your continued support and assistance. All of us at BCS are really looking forward to seeing our students next week!

Sincerely,

Jim Plows
Superintendent

Carrie Smith
Principal
