

Transcript of 01.06.2020 Announcement

Good afternoon BCS Families;

We hope this finds you well.

School personnel are currently working on plans to return to our hybrid learning model. We ask that you refer to a letter on this topic from district officials, that was posted on our homepage and facebook page today.

That correspondence contains a link to a survey for families to complete. We ask that you complete the survey by Saturday, January 9.

In addition, the letter summarizes steps that need to be taken in order to provide a safe environment for students to return to class given the current environmental health conditions in our region.

Unfortunately, as a result of the dramatic increase in COVID – 19 related events in our region and community, it has been decided to remain on remote learning until Tuesday, January 19.

Thank you for your understanding as we continue to modify our procedures in order to provide a safe environment for our students and staff.

A transcript of this announcement appears on our homepage and facebook page.

Take care
