

## Transcript of January 13, 2021 announcement

Good morning BCS families. We have three announcements.

First, tomorrow school personnel will be meeting with Madison County Department of Health officials. At the conclusion of that meeting we will announce a decision regarding whether we will be returning or not returning to in-person instruction next week.

Next, we have made revisions to our health and safety procedures. A letter explaining these changes has been emailed to student's families. Copies of the letter also appear on the district's home page and facebook page. Please call the main office if you would like a hard copy of the letter.

This letter contains important information for all families. If you have any question on the content of this letter please call the main office and you will be transferred to the appropriate staff member.

Moving on, the Board of Education meeting scheduled for tonight has been postponed until Wednesday, January 27 at 7 PM. This meeting will be a virtual meeting and will be broadcast live. Access information will be provided prior to the meeting.

A transcript of this announcement appears on our home page and facebook page.

Thank you and take care.
