

Transcript of January 22, 2021 announcement

Good morning BCS families.

Last week we determined that the number of COVID related illnesses in our community needed to decline in order for BCS to return to in-person instruction. Unfortunately, this has not occurred, if anything the number of cases in our community has increased.

Therefore, BCS will continue on remote only instruction for two more weeks. Repeating BCS will remain on remote only instruction until February 8.

Thank you. Take care.
